

Poznań, June 13th 2023

**CALL FOR TENDERS
regarding
SUPPLY OF:**

- **sixteen aluminum extrusion dies dedicated for aluminum extrusion press 7" 1800T**

I Purchaser

Albatros Aluminium Sp. z o.o., 1/27 Czartoria Street, 61-102 Poznań, Poland
Phone number: + 48 061 8533550
Fax number: + 48 061 8557241
E – mail address: prawo@albatros-aluminium.com

II Subject of tender

1. The subject of order shall be SUPPLY of:

sixteen dies:

310x169 (2 pcs.)

260x169 (6 pcs.)

260x120 (4 pcs.)

228x120 (4 pcs.)

dedicated for aluminum extrusion press 7" 1800T as a part of project „Nowe powłoki zwiększające trwałość narzędzi w procesach kucia i wyciskania”, contract for the grant no. TECHMATSTRATEG-III/0017/2019-00. Project shall be co-founded by Narodowe Centrum Badań i Rozwoju as a part of programme Strategiczny Program Badań Naukowych i Prac Rozwojowych „Nowoczesne technologie materiałowe” TECHMATSTRATEG.

All dies are dedicated for extrusion of profiles with usage of aluminium 6xxx alloys.
Each of die in question shall consist of hole section (core) and a plate that shall enable extruding of hollow profiles.

Deadline of delivery of a single die calculated as of call-off: 8 weeks as from call-off. Last call-off shall take place not later than on December 31st 2023.

Place of delivery: Wałcz (78-600), ul. Południowa 36, Poland

2. Minimum demands regarding subject of tender:

- each die in question should be manufactured with usage of suitable sort of tool working steel dedicated for work in hot conditions, and should consider type of aluminum alloy to be used in extrusion process as well as pressure force of the press;
- full compatibility with aluminum extrusion press 1800T 7";
- each die in question should be manufactured in accordance with drawings of specific profiles - to be produced upon tenderer's request;
- each die must guarantee successful implementation of specific profile according to drawing thereof produced by Purchaser.

If the description of the subject of the order includes: the name of the particular manufacturer, the name of the particular product, this should be treated only as a help in the description of the subject of the order. In each case, products equivalent in terms of design, materials, functionality are acceptable. If the description of the subject of the order indicates any trademark, patent or origin, it is to be assumed that the patents, trademarks and origin indicate technical, operational and usability

parameters, which means that the Contracting Party accepts proposals in this part of the subject of the contract with equivalent technical, operational and usability parameters.

3. Partial offers shall not be allowed.

4. Each offer should include:

- total fixed net price of subject of tender as well as individual price of each die,
- fixed date (deadline) of delivery of individual die calculated as from call-off,
- terms and dates of payments (prepayments, letter of credit or other instruments securing the payment are hereby excluded), however payment due date for delivery of specific die not shorter than 30 days as of complete delivery.

otherwise shall be null and void.

5. Each offer shall also:

- indicate date of its validity (duration of the offer) not shorter than 30 days as from expiry of term for making offers hereto as stipulated under Clause IV point 1 (deadline for the tenderers), and
- has to be signed by duly authorized representative of the tenderer

otherwise shall be null and void.

6. Purchaser shall be entitled to ask tenderer for further information and/or explanation in order to verify whether offered price has not been grossly undersold and/or whether tenderer has actual ability to perform with regard to subject of tender. Should the offered price has been grossly undersold and/or required information suggests risk of non fulfillment or improper fulfillment of subject of tender by tenderer and/or non fulfillment of requirements as set forth under section III point 1, 2 and/or 3 Purchaser shall be entitled to reject the offer in question.

III Requirements towards tenderers

Each tenderer shall be obliged to fulfill all following requirements under a penalty of rejection of tenderer:

1. tenderer does not fulfill any of rejections criterion as stipulated under article 108 of Polish Act of public procurement law (hereinafter: the Act). Fulfillment of any of criterion stipulated in abovementioned articles shall result in rejection of tenderer. Each tenderer may prove fulfillment of herewith requirement by placing a proper declaration, draft of which is attached hereto, provided however that Purchaser reserves the right to verify this requirement by other means;
2. tenderer fulfills criterion mentioned in article 57 of the Act. Each tenderer may prove fulfillment of herewith requirement by placing a proper declaration, draft of which is attached hereto, provided however that Purchaser reserves the right to verify this requirement by other means;
3. tenderer fulfills all following conditions:
 - tenderer is not linked to, is not subsidiary, co-subsiary nor parent company, within the meaning of Polish Act of Accountancy, in relation to Purchaser; and
 - neither tenderer nor members of its bodies remain in such a factual and/or legal relation to Purchaser, which could justify doubts regarding impartiality while accepting supplier of goods or services, in particular remain in a marriage relationship, in a family relationship or affinity in a straight line, relationship or affinity in the collateral line to the second degree, or in a relationship of adoption, guardianship or custody, including but not limited to presence of the Purchaser in managing bodies of the tenderer; and
 - tenderer is not linked enterprise nor partner enterprise within the meaning of Commission Regulation (EU) no 651/2015, in relation to Purchaser; and
 - tenderer is not personally related to the Purchaser within the meaning of Polish Value Added Tax Act.

Each tenderer may prove fulfillment of herewith requirement by placing a proper declaration, draft of which is attached hereto, provided however that Purchaser reserves the right to verify this requirement by other means.

IV Time limit, form and address for making offers

1. Complete offers are to be made in writing, in Polish or English, and delivered personally in a closed package or envelope, not later than on June 30th 2023, 4:00 p.m. (deadline for tenderers). The destination address for making offers shall be Purchaser's premises: ul. Czartoria 1/27, 61-102 Poznań, Polska (each offer shall be considered made on a date when it has been delivered to the address set forth above, except for the case stipulated under clause 2 below).
2. The offers may also be sent by post, in a registered form, or by courier providing however that in each case the offer shall be considered made on a date when it has been delivered to the address set forth under clause 1 above. The offer may also be sent by e-mail directly to prawo@albatros-aluminium.com
3. Validity of each offer shall be 30 days calculated as from the deadline for tenderers. During the said period the offers made shall be reviewed by the Purchaser and required explanation shall be given.
4. Each offer shall be accompanied by following attachments otherwise shall be null and void:
 - Document stipulated under section III point 1-3.

Foreign tenderers are allowed to attach documents equal to the abovementioned.

Each documents are to be original or certified true copy or scans thereof in case of offers sent by e-mail.

Should the tenderer not fulfill any of the requirements described under section III or IV he shall be excluded and the offer shall be rejected.

V Offers' assessment criteria

In the assessment and review process shall only be verified the offers meeting jointly requirements set forth under section II and IV above.

When selecting the most advantageous offer, the Purchaser will use the following criteria: fixed total net price expressed in PLN for execution of entire subject of tender.

The highest number of points (i.e. 100) will be awarded to the offer offering the lowest fixed total net price expressed in PLN for execution of entire subject of tender. The price should be given to 2 decimal points.

Each Tenderer shall be obliged to specify individual net price of each die to be delivered as well as fixed total net price for execution of entire subject of tender.

For the purpose of evaluation amounts expressed in EURO or USD shall be converted into PLN pursuant to middle exchange rates of NBP as of the date fixed hereto as the last day for placing offers, published on <http://www.nbp.pl/home.aspx?c=/ascx/archa.ascx>

The number of points for each subsequent offer will be calculated as follows:

$$\text{Number of points} = \left[\frac{\text{the lowest fixed total net price}}{\text{evaluated fixed total net price}} \right] \times 100$$

The total price shall be defined as total fixed amount for purchase and delivery of complete subject of tender pursuant to requirements of the Purchaser hereto determined. No further price

adjustment are allowed. Any and all consequence of erroneous calculation of the price shall burden the tenderer.

VI Acceptance of the offer

1. The offers' assessment and acceptance shall be conducted by Purchaser's committee.
2. The present proceeding and acceptance of the best offer shall be conducted with the observance of rules of fair competition, fair treatment, efficiency, openness and transparency. At the same time the Purchaser declares that he shall make his strongest effort to provide impartiality and objectiveness of the final acceptance.
3. From amongst the offers made according to section II and IV, the offer gaining majority of points pursuant to section V above shall be accepted (the best economic offer).
4. The Purchaser shall have the right to terminate this proceeding at each stage and/or to withdraw from this proceeding without acceptance of any offer made and without being obliged to give explanation.
5. Should the Purchaser accept any of the offers made, execution of the contract shall take place by giving a representation accepting the specific offer placed in this proceeding. Supplies of specific dies in question shall take place upon call-offs placed by e-mail.

VII Miscellaneous

1. Any questions regarding present proceeding should be put in a written form on address: ul. Czartoria 1/27, 61-102 Poznań, Polska or on e-mail address: prawo@albatros-aluminium.com
2. Answers to the abovementioned questions shall be given promptly in the same form.
3. Provisions of Polish Civil Code shall apply to any matter that has not been regulated hereto.
4. This call for tenders together with schedules hereto has been displayed also at Purchaser's premises as well as on following web site: www.albatros-aluminium.com
